

# Options Employment

*Working Solutions*

## Our Vision

People with disabilities will have the opportunity to participate in the mainstream of life, enjoying the resources, dignity and inner strength that comes with earning a living

**Options Employment provides a range of employment opportunities tailored specifically to our clients' individual employment aspirations.**

### **Our free services to employers and job seekers include:**

- Assisting a job seeker to become job ready and facilitating a smooth integration into open employment.
- On-the-job support and one-to-one training during work trials and employment as required.
- Supporting employers and co-workers to better understand job seeker needs at work.
- Providing additional training to perform new duties and tasks as they occur.
- Job redesign and workplace modifications or adaptations when required.
- Providing advocacy and support for both employee and employer to promote workplace equality
